10 October 2025

Dear Parents/Guardians

Weekend activities

Choir: The DSW-choir is performing at Cosmos High School on Saturday, 11 October @ 8 o'clock. Thank you to Ms. Beiler, Ms. Hacker and Mr. Ishitile for accompanying our learners.

Arbour Day: Our Environmental Club will attend Arbour Day at Michelle McClean on Saturday, 11 October. Thank you to Ms. Mundjange for accompanying our learners.

If you see your way open, please support our teachers and learners at the different activities. Thank you to our parents for dropping off and picking up your children. Without DSW team work, none of the above would have been possible.

Congratulations!!

We want to make use of this opportunity to congratulate two of our staff members. These teachers empowered themselves by furthering their studies. Again we want to mention the team work. They managed to finish their degrees with the support of their colleagues.

Ms. Kaahangoro: 2011 – ACE (learner support); 2021 – Bachelor of commercial law; 2025 – LLB post graduate.

Ms. Nuugulu: 2025 – Bachelor in Procurement and supply chain management.
